

Transfer Admission Guarantee
Between the Los Angeles Community College District
and Savannah State University

The attached document establishes a transfer admission guarantee between the Los Angeles Community College District (LACCD) and Savannah State University. In entering into this agreement, LACCD and Savannah State University have several goals, which include:

- Assisting prospective transfer students in the LACCD to progress toward their baccalaureate degree goals;
- Enabling LACCD students to follow a course of study that allows them to begin upper division course work immediately upon transfer;
- Assuring LACCD students that if they follow the terms of their approved transfer agreement, they are guaranteed admission to Savannah State University in the term agreed upon;
- Facilitating cooperation between the counseling offices and the transfer centers at their respective institutions.

Savannah State University in partnership with the LACCD has developed transfer procedures to implement this guarantee. To assure that the transfer admission guarantee remains current, the respective parties to this understanding agree to consult regularly on issues of enrollment, articulation, and program change. The goal of both LACCD and Savannah State University is to minimize barriers to transfer and to increase the number of students who successfully complete the baccalaureate degree.
