*This IGETC Plan totals 34-37 CSU/UC transferable semester units. A minimum of 60 CSU/UC transferable semester units is required for transfer. Students need to complete additional coursework in major and possibly elective courses. A course may be used only once to satisfy one IGETC subject area, even if it is listed under more than one Area. Courses may be used to satisfy both IGETC and major requirements. Courses must be completed with a grade of "C" or better. Every effort has been made to ensure the information below is accurate and timely. However, the information contained in this plan is unofficial and should be checked against the official information found on the website: [www.assist.org](http://www.assist.org)*

**Notes:**

- If you have attended more than one California Community College, follow the IGETC GE Plan from the college at which the course was completed.
- The **IGETC for STEM Plan** can be used for certain AST degrees and allows for completion of up to 3 units of GE in Area 3 and up to 3 units of GE in area 4, after transfer.
- Asterisk \* indicates transfer credit may be limited by either UC or CSU or both.
