Logging On to your Etudes Class for the First Time

Please note, most class sites won’t be available until the first day of the semester.
Once you’ve logged on and selected your class, the screen should look like something this:
Most Instructors will have a welcome announcement to help you start the class:
Click on the announcement and follow the instructions from your instructor:

Welcome to Introduction to Sociology and our "classroom" for the next 16 weeks. To start the class, click on the Syllabus link on the left. You must "accept" the syllabus before you can start the class. After that, click on the Modules link on the left and that will take you to the lesson for week 1.
In most cases, the first step is to read and accept the syllabus. Click on the syllabus link:
Take some time and carefully review the syllabus. You can also print a copy of the syllabus by clicking the print button:
For most classes, you must accept the syllabus before you can start the class:
