IMPORTANT INFORMATION: HOW TO GET STARTED

1. Submit an application for admission to Los Angeles Harbor College online at www.lahc.edu
2. Complete online orientation and quiz at http://www.lahc.edu/matric/welcome.html
3. Make a counseling appointment by phone at (310) 233-4299
4. Register for CNA and/or CHHA courses (see LAHC class schedule for section numbers)
5. Attend mandatory orientation to receive course packet and physical examination form (see LAHC class schedule for orientation date, time, and location). Form must be completed and signed, in all places, by your health care practitioner. Must complete a physical exam and other health requirements as required by clinical agency. There are fees associated with the physical examination and health requirements.
6. A valid AHA healthcare provider BCLS card and background check are required.
7. Upon enrollment, the applicant must be fingerprinted through the Live Scan method.
8. Students should be aware that there are penal codes that can prevent them from being in the program. For a list of these penal codes visit http://www.cdph.ca.gov/pubsforms/Documents/ATCS%2098-4.pdf

Certified Nursing Assistant Program Overview—

The Health Sciences division offers Certified Nursing Assistant (CNA) and Certified Home Health Aide (CHHA) courses:

- **Nursing 399A (5 units)** - Certified Nursing Assistant
  Prerequisite: Completion of CNA course

- **Nursing 399B (2 units)** - Certified Home Health Aide
  Prerequisite: Certified Nursing Assistant (CNA) licensure

What is the average annual salary?

- The average annual salary for Home Health Aides in the Los Angeles-Long Beach, Glendale, CA-metropolitan area is **$19,900**

**Course Descriptions**

**Nursing 399A** – Certified Nursing Assistant. Prerequisite: Must have AHA healthcare provider BCLS card, have background check, and meet all health requirements of clinical agency. This course prepares the student to be a beginning health care worker in the acute care setting or the long term care facility. The course consists of lecture and clinical experiences and is offered on Fridays and weekends. Upon successful completion of the course, the student is eligible to sit for the State of California Certification Examination for Certified Nursing Assistant.

**Nursing 399B** - Certified Home Health Aide. Prerequisite: Certified Nursing Assistant (CNA) licensure. Lecture and clinical skills in working with residents/clients in the home care setting are taught over a period of three weeks, for 24 hours per week. Upon the successful completion of the course, the student is eligible to take the State examination for Certified Home Health Aide.
