Citing Library Databases in APA Style

Many of our databases have automatic APA citation generation capability, but some don’t. For those that do not please see the APA citation examples below.

For more help with citing sources of all types try these websites:

Online Writing Lab (OWL)
Bedford APA
Son of Citation Machine
KnightCite Citation Service

JSTOR

Oxford Art Online

FORENSICnetBASE

1. Entire book:

2. Chapter in book:

CountryWatch
