Associate in Arts in Kinesiology (AA-T)
Associate Degrees for Transfer
California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) OR Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of LAHC Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to http://www.c-id.net. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

AA-T in Kinesiology for Transfer
The Associate in Arts degree in Kinesiology is designed for students who plan to transfer to the California State University (CSU) system as Kinesiology majors. The AA degree consists of a core general education component, 20-21 units in the major, and additional elective units as needed to reach a minimum of 60 transferable units overall; a minimum cumulative 2.0 grade point average is required. Note: Students must earn a “C” or better in all courses required for the major. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Choose either option for the General Education Core:

- CSU G.E. Breadth (39-41 units) - Including Golden Four (A3 - critical thinking, A1 - communication, A2 - English composition, and B4 - quantitative reasoning w/a minimum grade of “C”)

- IGETC—(34-41 units) -All courses must be completed with a “C” grade or higher.

GE Certification not required
All students are strongly advised to meet with a counselor for academic planning. Students who plan to transfer will need to consult a counselor and the Transfer Center for specific information regarding preparation for the intended major at the colleges/universities of choice, in order to facilitate a seamless transition.

Courses required for the major
(Major Code: 122800)

Required Core (14 units):
- Kin Major 100 - Intro to Physical Ed (3 units)
- Anatomy 001 Intro to Human Anatomy (4 units)
- Physiology 001 - Intro to Human Physiology (4 units)

Three units maximum from below
- Dance TQ 141 - Modern Dance (1 unit) same as Kin 23
- Kin 217 - Self Defense Skills (1 unit)
