Associate of Arts in Studio Arts (AA-T)
Associate Degrees for Transfer

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) OR Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of LAHC Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to [http://www.c-id.net](http://www.c-id.net). Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

AA-T (Studio Arts for Transfer)

The Associate of Arts degree in Studio Arts is intended for students who are planning to transfer to a California State University (CSU) as Studio Arts majors. A degree in Studio Arts will prepare a student to generally function as creative artists. The AA degree consists of a core general education component, 24 units in the major, and additional elective units as needed to reach a minimum of 60 transferrable units overall; a minimum cumulative 2.0 grade point average is required. Note: Students must earn a “C” or better in all courses required for the major. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Choose either option for the General Education Core:

- CSU G.E. Breadth (39-41 units)- Including Golden Four (A3- critical thinking, A1- communication, A2- English composition, and B4- quantitative reasoning w/ a minimum grade of “C”)
- IGETC—(34-41 units) - All courses must be completed with a “C” grade or higher.

GE Certification not required

All students are strongly advised to meet with a counselor for academic planning. Students who plan to transfer will need to consult a counselor and the Transfer Center for specific information regarding preparation for the intended major at the colleges/universities of choice, in order to facilitate a seamless transition.

Courses required for the major (24 units)

Major Code: 109900

Required Core (12 units):
- Art 102 Art History II (3 units)
- Art 201 Drawing I (3 units)
- Art 501 2-Dim. Design (3 units)
- Art 502 3-Dim. Design (3 units)

Total Core Units-12

List A (3 units)
- Art 101 Survey of Art History I (3 units)

Total List A Units-3

List B (9 units)
Select 9 units from the following:
- Art 202 Drawing II (3 units)
