## ***Loss of Enrollment Priority and/or BOGW Fee Waiver Appeal (cont'd.)***

### **EXPLANATION: LOSS OF PRIORITY REGISTRATION and LOSS OF BOARD OF GOVERNORS (BOG) FEE WAIVER**

Per Title 5, Section 58108 Regulations of the California Community College System, your calculated academic standing will affect your assigned registration date for future semesters. A second consecutive term (fall/spring semesters) on academic or progress probation will result in the loss of continuing student priority registration. This will also apply to any student over 100-unit limit (excluding non-degree applicable and ESL courses and high-unit majors over 60 units). Loss of registration priority means you will register **after** all continuing and new students, possibly losing your opportunity for the courses you need to complete your educational goal.

Students who continue on a second consecutive term (fall/spring semesters) on academic or progress probation will also lose their BOG Fee Waiver.
