WHAT IS AN ASSOCIATE DEGREE FOR TRANSFER?

The Student Transfer Achievement Reform Act (SB 1440/Padilla) established the Associate Degrees for Transfer (ADT) for California Community College students and is designed to provide a clear pathway to the CSU degree major. Depending on the major, students can pursue an Associate of Arts or an Associate of Science. ADT stands for Associate Degree for Transfer and is a degree designed to assist students in preparing for transfer to the CSU. Within the ADT program students can earn an AA-T (Associate in Arts for Transfer) or an AS-T (Associate of Science for Transfer). Earning an ADT gives California Community College students many benefits.
