# Selection: Background Checks & Drug Testing

- ▶ To comply with the Joint Commission on the Accreditation of Healthcare Organizations and state and local regulations regarding background checks for healthcare providers, the following policy is hereby implemented by the Associate Degree Registered Nursing Directors of the Los Angeles Community Colleges:

- ▶ **Criminal Background Clearance and Urine Drug Screen:** All students must have completed a criminal background clearance/urine drug test and have proof of clearance prior to entering any nursing course with a clinical component. This includes local hospitals and health care agencies, including the county, community and private facilities. **Students who cannot present a clear background check will not be permitted to enter the nursing program. Students who test positive on a drug screen will not be able to continue in the nursing program** UNLESS a physician writes a note stating that prescription medications are causing the positive drug screen. Plan ahead to address any potential items that may appear on your background check. –LABC Student Handbook

# Selection: Background Checks & Drug Testing

- ▶ **Plan ahead** to address any potential items that may appear on your background check
- ▶ Specific facilities may also require **Live Scan**
  - ▶ *Students who are denied clinical placement due to the inability to pass a required Live Scan will NOT be permitted to continue in the nursing program, unless an appropriate clinical placement can be found at an alternative agency. –Student Handbook 2017-2018*
