

COLLABORATING PROGRAMS

ADAPTIVE KINESIOLOGY

Individualized exercise courses are available to students with disabilities. Offerings include: Adapted Fitness, Adapted Strength Training, Adapted Aerobics, Adapted Cardiovascular Fitness, Adapted Exercise for Back Disorders, and Adapted Sports and Games.

THE ACADEMIC SUCCESS ACTION PLAN (PROJECT A.S.A.P.)

The Academic Success Action Plan is a TRIO federally funded Student Support Services Program designed to improve the retention, transfer, and graduation rates of 125 selected students with disabilities.

Project A.S.A.P. offers the following services: Specialized Counseling, Transfer Assistance, Workshops, Mentorship Program, and Field Trips & Cultural Enrichment Activities.

LIFE SKILLS CENTER

The Life Skills Center (LSC) is LAHC's mental health service site on campus. The mission of the LSC is to provide psychological counseling and related services to LAHC students.

The LSC is staffed by a licensed clinical psychologist and advanced graduate student interns from masters and doctoral level Psychology programs within the Los Angeles area.

DISABLED STUDENT PROGRAMS & SERVICES (DSPS)

The Disabled Student Programs and Services office strives to ensure every student with a disability at Los Angeles Harbor College experiences an academic journey that is accessible, enriching, and fulfilling. We believe in fostering equal and equitable opportunities while supporting our student's educational goals through dedicated support, reasonable accommodations, adaptive curriculum and instruction, and assistive technology.

ELIGIBILITY FOR DSPS SERVICES

Eligibility for support services, academic accommodations, and/or special class instruction will be determined by DSPS staff, in consultation with the student and will be based on the nature of the student's disability. In order to be eligible for support services, academic accommodations, and/or special class instruction authorized under Title 5, Section 56026, a student must have a verified disability, which must result in one or more educational limitations.

Disability verification can be obtained from physicians, psychologists, psychiatrists, therapists, audiologists, speech/language pathologists, social workers, and other qualified professionals.

TO OBTAIN SERVICES AND/OR REQUEST ACCOMMODATIONS:

For new students, please follow these steps:

1. Apply to LAHC (obtain SID number).
2. Complete the DSPS Application.
3. Schedule a DSPS Counseling Appointment.
4. Submit verification of your disability to DSPS.

To schedule a DSPS counseling appointment, call (310) 233-4629 or book through ConexED: <https://laccd.craniumcafe.com/group/dsp/scheduler>

SPECIAL INSTRUCTIONAL OFFERINGS

COUNSELING CLASSES

Specialized Counseling courses that focus on College Survival Skills, Career Planning, and Interpersonal Relationships are available to students with disabilities.

HIGH TECH CENTER

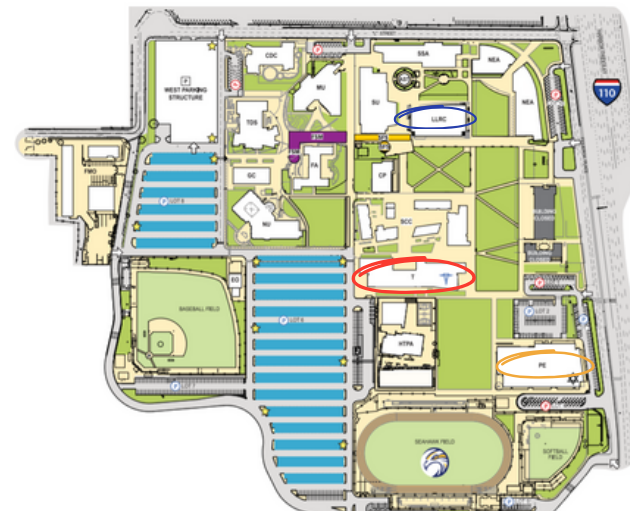

Located in the LLRC (Room 117), this lab provides computer access to students with verified disabilities. The center offers individual and small group instruction in all of the self-paced special classes offered through the High Tech Center. The center offers classes in reading comprehension, mathematics, keyboarding, word processing, and assistive technology.

Eligible students receive instructional support for their math and English classes and may learn how to use the latest software to scan and read their textbooks, enlarge and read text on computer screens, and dictate information into a word processor.
